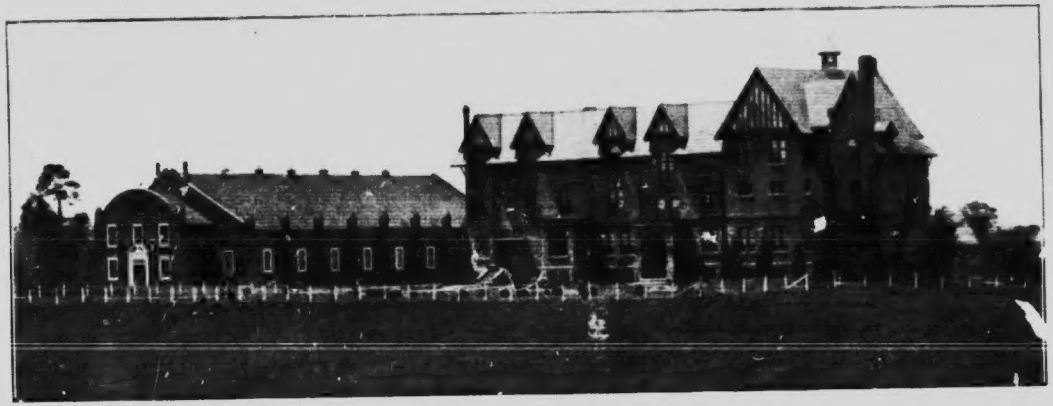
UPPER SCHOOL.

The College re-opens on Tuesday, September 8th, 1903.

Applications for admission to the Upper School should be made to the Principal, Rev. J. O. Miller, M. A., D. C. L.



LOWER SCHOOL AND RINK.

Applications for admission to the Lower School should be made to the Vice-Principal, H.G. Williams, Esq., B.A.

Boys are received into the Lower School if they are under fourteen years of age. There is no examination test on entrance. They are prepared for admission to the Upper School.

DRIVEWAY, UPPER SCHOOL.

The building is limited in capacity, and applications for admission should be made early. The great success of this school for little boys, the first of its kind in Canada, has secured its being practically filled ever since its erection.

If the numbers continue to increase, the intention is to erect another building, so as to prevent the overcrowding of little boys, and to secure for them thorough supervision, and surroundings as nearly as possible like those of home.

Boys are admitted to the Upper School upon graduation from the Lower, or if they have attained to scholarship of about the same standard as High School entrance.

Two Scholar[illegible]s of the value of $50.00 each are offered for com[illegible]ion to new boys entering the Upper School. Particulars as to these may be obtained from the Principal.

The Calendar of the School will be sent upon application to the Principal or Vice-Principal.
